**MOTION ON CONSENT TO EXTEND DEADLINES**

Pursuant to Trademark Rule of Practice 2.120(a)(37 C.F.R. § 2.120(a)), 3-Flow, Inc. AKA Three-Flow (“Applicant”) through its successor in the present application, Lamons Gasket Company, with the express consent of Lubrizol Advanced Materials, Inc. (“Opposer”), respectfully moves for an order extending all scheduled deadlines in the above-captioned case for an additional sixty (60) days.

As previously stated, the parties have come to an agreement as to an acceptable modification to Applicant’s description of goods and services; however, no settlement agreement has been signed. This extension is necessary to enable the parties to continue their joint efforts to complete the settlement documents. This motion is made in good faith, and not for the purpose of unnecessary delay, and will not prejudice either party.
